

# Request For Proposal To Create and Install

## White Park Basketball Courts

The purpose of this proposal is for the creation and installation of two new exterior concrete basketball courts located at White Park - 8475 Douglas Rd in Lambertville, MI. The courts are to be purchased and maintained by the Bedford Parks Board.

The courts are to be 45'/85' and located in the flat space between the south leg of the east parking lot and the playscape. Precise location to be determined post award.

### Specification for 2- 45'/85' exterior basketball courts with 2 hoops (supplied) each:

- Install construction fence and/or barricades to prohibit access to the work zone.
- Remove chain link fence as necessary to allow equipment access.
- Remove sod and re-locate at the existing basketball courts.
- Install and compact 3-4" of compatible sub-grade 23A.
- Set forms and pour 4" of pavement 6 bag with air, 4000 PSI concrete with fiber mesh.
- Very light broom finish.
- Saw cut symmetrically, but no greater than 12'/12'.
- Backfill around.
- Drill/jack hammer piers for basketball hoops (total of 4).
- Pour 18"diameter/42"deep piers and set bolts (provided by contractor) for the hoops (total of 4).
- Remove existing basketball hoops from old courts and install on new. They are to be regulation height and properly spaced.
- Replace/repair moved or damaged fencing or sod.
- No seeding necessary.

Sealed bids will be received until **Thursday, November 4, 2021 at 12pm**. Bids will be delivered to the Bedford Township Hall, Clerk's Department 8100 Jackman Rd. Temperance, MI 48182 Attn. Trudy Hershberger

The Bedford Parks Board reserves the right to reject any or all bids. The successful bidder will be determined based off price and previous performances. Successful bidder must be licensed, insured and be able to submit references upon request. The prices will be good for 30 days from bid opening and the project must be completed by May 1, 2022.

Questions regarding the scope of work or to schedule a project walk through should be directed to Chas Mann at [cmann@bedfordmi.org](mailto:cmann@bedfordmi.org)
