Dear Owners of Record:

Bedford Township has received a petition signed by the property owners of an area designated as the Deer Creek Subdivision Paving Special Assessment District. The signers of the petition are requesting that Bedford Township establish a Special Assessment District to provide paving along the roads in Deer Creek Subdivision.

An informational meeting will be held on **Thursday, September 16th from 6:00 p.m. to 6:45 p.m. at the Bedford Township Hall, 8100 Jackman Road, Temperance, on the second floor in the Board Room.** At this meeting, the information on the project will be discussed by the engineer from The Mannik & Smith Group, Barry Buschmann. We will also be presenting the estimated cost for the project.

Informational meetings are held prior to Public Hearings in order to allow the interested parties to ask questions and receive information before they are liable for any expense. Please set aside this date and time so that you may be present and all of your questions addressed.

Sincerely,

A handwritten signature in black ink, appearing to read "Trudy L. Hershberger".
